## **Marketplace Application Checklist**

When you apply for coverage in the Health Insurance Marketplace, you'll need to provide some information about you and your household, including income, any insurance you currently have, and some additional items.

Use the checklist below to help you gather what you need to apply for coverage. Open enrollment starts October 1, 2013 for coverage starting as early as January 1, 2014. Open enrollment ends March 31, 2014.

☐ Social Security Numbers (or document numbers for legal immigrants)
<ul> <li>Employer and income information for every member of your household who needs coverage (for example, from pay stubs or W-2 forms—Wage and Tax Statements)</li> </ul>
<ul> <li>Policy numbers for any current health insurance plans covering members of your household</li> </ul>
☐ A completed <b>Employer Coverage Tool</b> (see page 2 of this checklist) for every job-based plan you or someone in your household is eligible for. (You'll need to fill out this form even for coverage you're eligible for but don't enroll in.)

Stay up-to-date about the Marketplace. Visit <u>HealthCare.gov/subscribe</u> to get email or text updates that will help you get ready to apply.

## **Employer Coverage Tool**

Use this tool to gather answers about any employer health coverage that you're eligible for (even if it's from another person's job, like a parent or spouse). You'll need this information even if you don't accept the employer insurance you're eligible for. Write your name and Social Security number in boxes 1 and 2 and ask the employer to fill out the rest of the form. Complete one tool for each employer that offers health coverage that you're eligible for.
